Prompt booking is recommended for good prices  
Prices quoted on line are usually MUCH cheaper than on phone—negotiate! Or use those exasperating but inexpensive booking agents on line, such as A1 Discount Hotels

Hotels near the Foggy Bottom metro station have easy access to Kennedy Center's free and frequent shuttle bus (fire engine red) at the top (street level) of the station

Hotels in the Dupont Circle area have easy access to the Metro's Red Line trains, change at Metro Center to Orange or Blue to Foggy Bottom station & change to free KC shuttle bus. Dupont Circle has varied restaurants at varied prices, much good value  
Try Hank's Oyster Bar

Kennedy Center shuttles runs every fifteen minutes (oftener in evenings) to and from Foggy Bottom metro station; these red buses stop just outside the station's street entrance & are FREE
